

# Zintra Concertina

## Installation Instructions

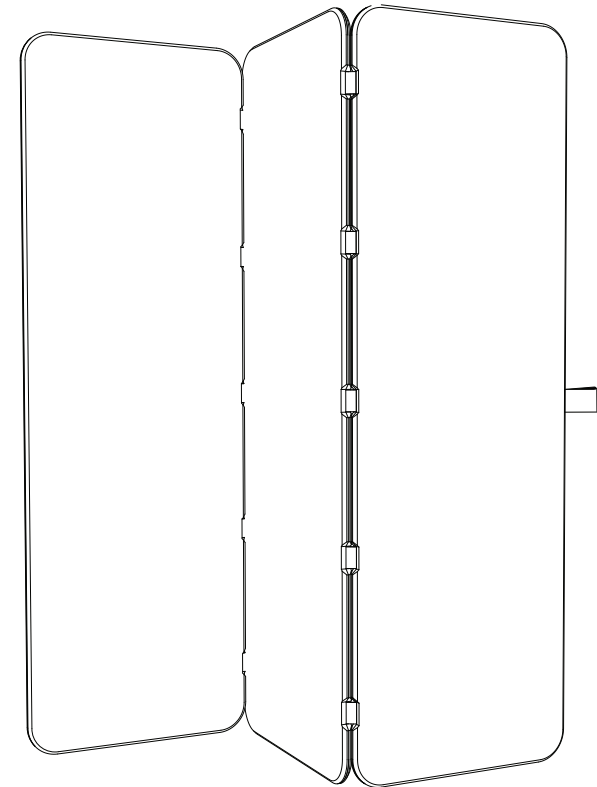

### STEP 1

Remove the Concertina from the box.

### STEP 2

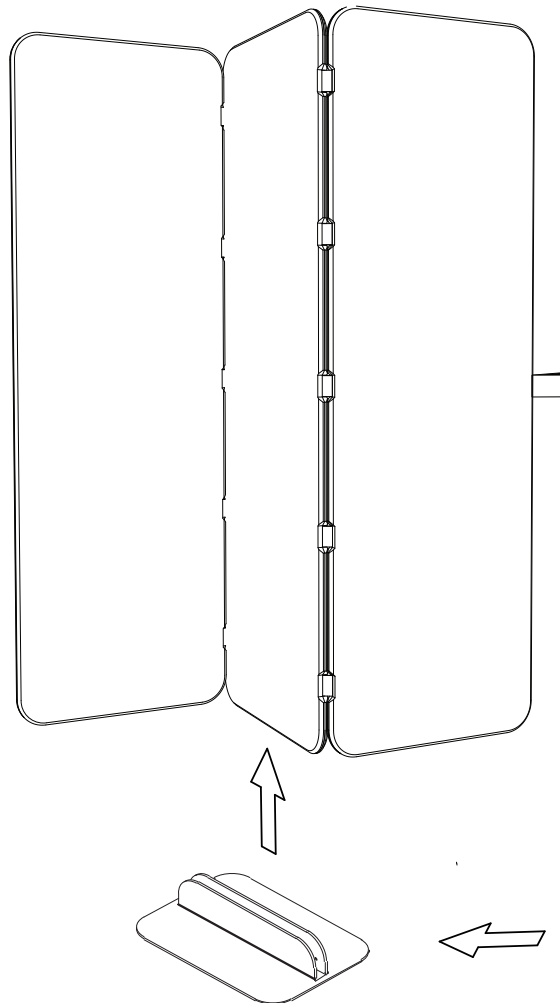

Stand the Concertina upright as you unfold it into a zig-zag shape, making sure it is spread out enough to be stable.

# Zintra Concertina

## Installation Instructions

### STEP 3

Slide the optional Concertina base on to the bottom of the center panel. This is not required but does provide stability to the panels.
