MDC GLASS

MODERNIZE FUNCTIONAL SPACES WITH MDC GLASS

This clean, sophisticated take on the standard communication board lends a fresh, current feel to any space:

- **Lifetime Surface Warranty**
- Ceramic back coating process is permanently fused to the glass
 - Our unique, state-of-the-art ceramic enamel firing process sets MDC Glass apart by creating a permanent bright-white bond that won't discolor or stain and eliminates any possibility of blisters, cracks, or delamination.
- One-quarter inch low-iron glass is the clearest glass available.
- Our tempered safety glass is four-to-five times stronger than regular glass.
- Steel backing is also available to create a magnetic tackboard and hold magnetic accessories.
- MDC Glass is manufactured in the USA.

MDC Glass measures up to our consistently high standards for design and durability.

COLORS

MDC Glass is available in a variety of colors ranging from clear to completely opaque bright white to an array of different tints and hues.

DIGITAL PRINT ON GLASS

Tailor your installation of MDC Glass to the unique design or functionality needs of your space. Our product specialists will partner with you to adjust the size, shape and color of your MDC Glass. We'll also help you add logos and other custom graphics which can be made to be permanent or removable and/or changeable.
