# SAFER ENVIRONMENTS

These durable and mobile partitions provide stylish solutions that compliment and enhance any space. Create protective barriers between workspaces, healthcare facilities, restaurants, fitness centers, and more.

## PRODUCT ATTRIBUTES

- Standard overall size: 60" high x 48" wide  
FRP insert sizes; 32" x 48" or 48" x 48"
- Quality Craftsmanship  
Aluminum frames and translucent FRP  
(.060" thickness)
- Specify from over 100 stocked designs
- Custom art and branding capabilities
- High abrasion and scratch resistance
- Stain, chemical, and fingerprint resistant
- Easy to clean & disinfect
- Lightweight and easy to move
- Ideal for retrofitting existing spaces
- Made in the USA

FRP Partitions are easily adaptable to fluctuating social distancing requirements and offer a compelling value proposition over other materials.

### **Durability & Strength:**

Superior scratch and impact resistance surface

### **Competitive Price Point:**

FRP is less expensive than alternative materials and its longevity pays for itself over time.

### **Easy Cleaning & Maintenance:**

FRP partitions won't be negatively impacted by cleaning or disinfecting products.
