ABOUT THE DESIGNER

Aviva Stanoff's artisanal aesthetic is the cornerstone of her signature style. Aviva rose to international prominence as the voice of nature-inspired opulent design. Her creativity draws from childhood summers spent in Japan at her family's Buddhist temple, combined with the colorful and contrasting pillars of her California and New York City chapters of life. It is this refined design complexity and product innovation that inspires her beautiful commercial portfolio, dedicated to deliberate luxury.

ABOUT THE DESIGNER

Carol Benson-Cobb is an American artist known for her custom abstract paintings. Her vision creates a mood which leads the viewer to use their own imagination to connect with each fine art piece. The fluidity of her art is inspired by years of living in the landscapes of the high deserts of Arizona. Her home, gallery and studio, located in Dallas, Texas, are the heart of her uniquely personalized style. Carol Benson-Cobb's commercial wallcoverings are the natural progression of her artwork, with selected works re-invented for this collection.
