Seamless Collaboration

THE MDC DIFFERENCE

MDC is dedicated to providing personalized solutions that cater to your unique needs from the start of a project to tenant occupancy. Our nationwide service is not only backed by a team of product knowledge experts but also enhanced by dedicated Account Executives who are here to offer you personalized service, aiming to save you billable hours by ensuring support no matter where your project is located. We offer competitive pricing programs, making high-quality interior solutions more accessible.

Our Single Source Portfolio encompasses everything from leading-edge design finishes to acoustic performance materials, enabling the creation of functional spaces with both aesthetics and performance in mind. In addition, MDC extends comprehensive support for the products we carry, including detailed installation guides, AutoCAD and Revit files, project management, and technical support to facilitate seamless project execution. As your complete solution for every interior need, our commitment is to provide you with the support and resources you need at every step of the way, ensuring your projects are completed efficiently and to the highest standard.

Redefining Service

PERSONALIZED SUPPORT

MDC's Core Commitments

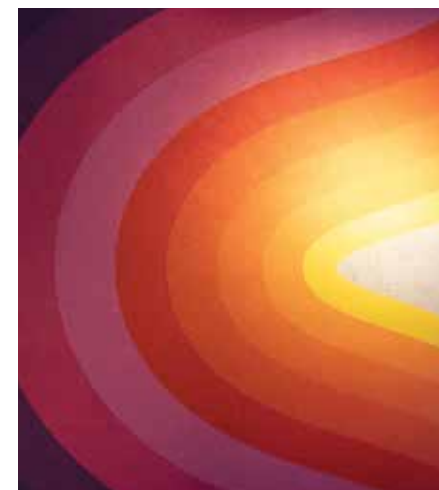

MDC stands on four pillars: unparalleled service, competitive pricing, comprehensive solutions, and robust support. Our commitment extends beyond just meeting your needs; we aim to redefine the standards of service in the industry.

Unparalleled Nationwide Service

With dedicated Account Executives and a specialized Strategic Accounts team, MDC provides personalized guidance from project inception to completion. Our team excels in developing brand standards tailored to your vision, ensuring consistency and excellence across all your projects.

We deliver on-the-ground support nationwide, coupled with the capability to deliver the best value on projects of any size and scope. No matter where you are, MDC's expertise and resources are readily accessible, guaranteeing that your projects not only meet but exceed expectations.

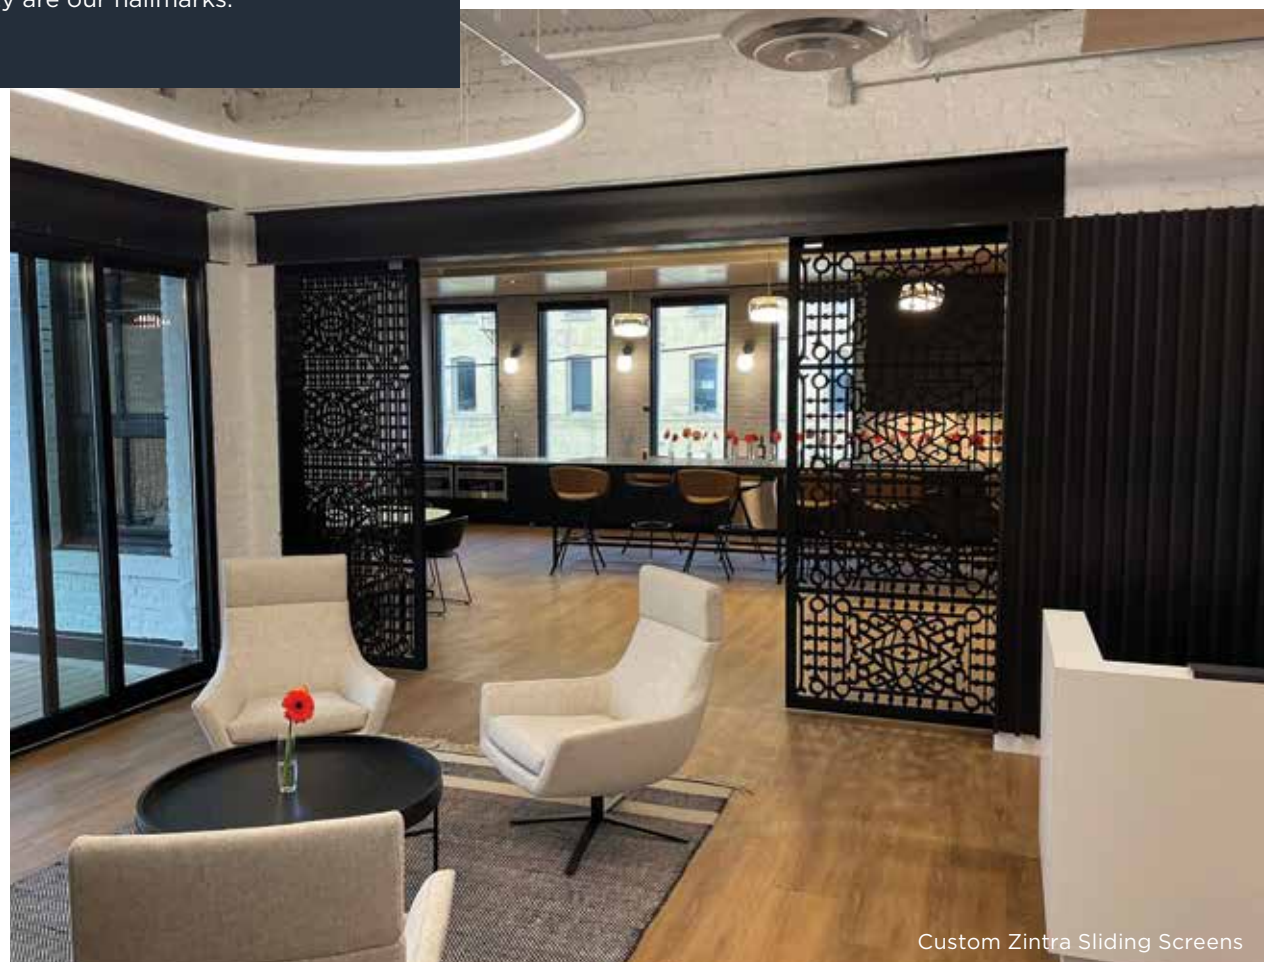

A Tradition of Design Excellence

From our Glendale Heights, Illinois headquarters, MDC Interior Solutions leads with innovation in wallcoverings and design solutions. We're a testament to design excellence, merging aesthetic appeal with functional necessity. Our foundation is rooted in the strong values of our founders, evolving with a forward-thinking approach for today's demands.

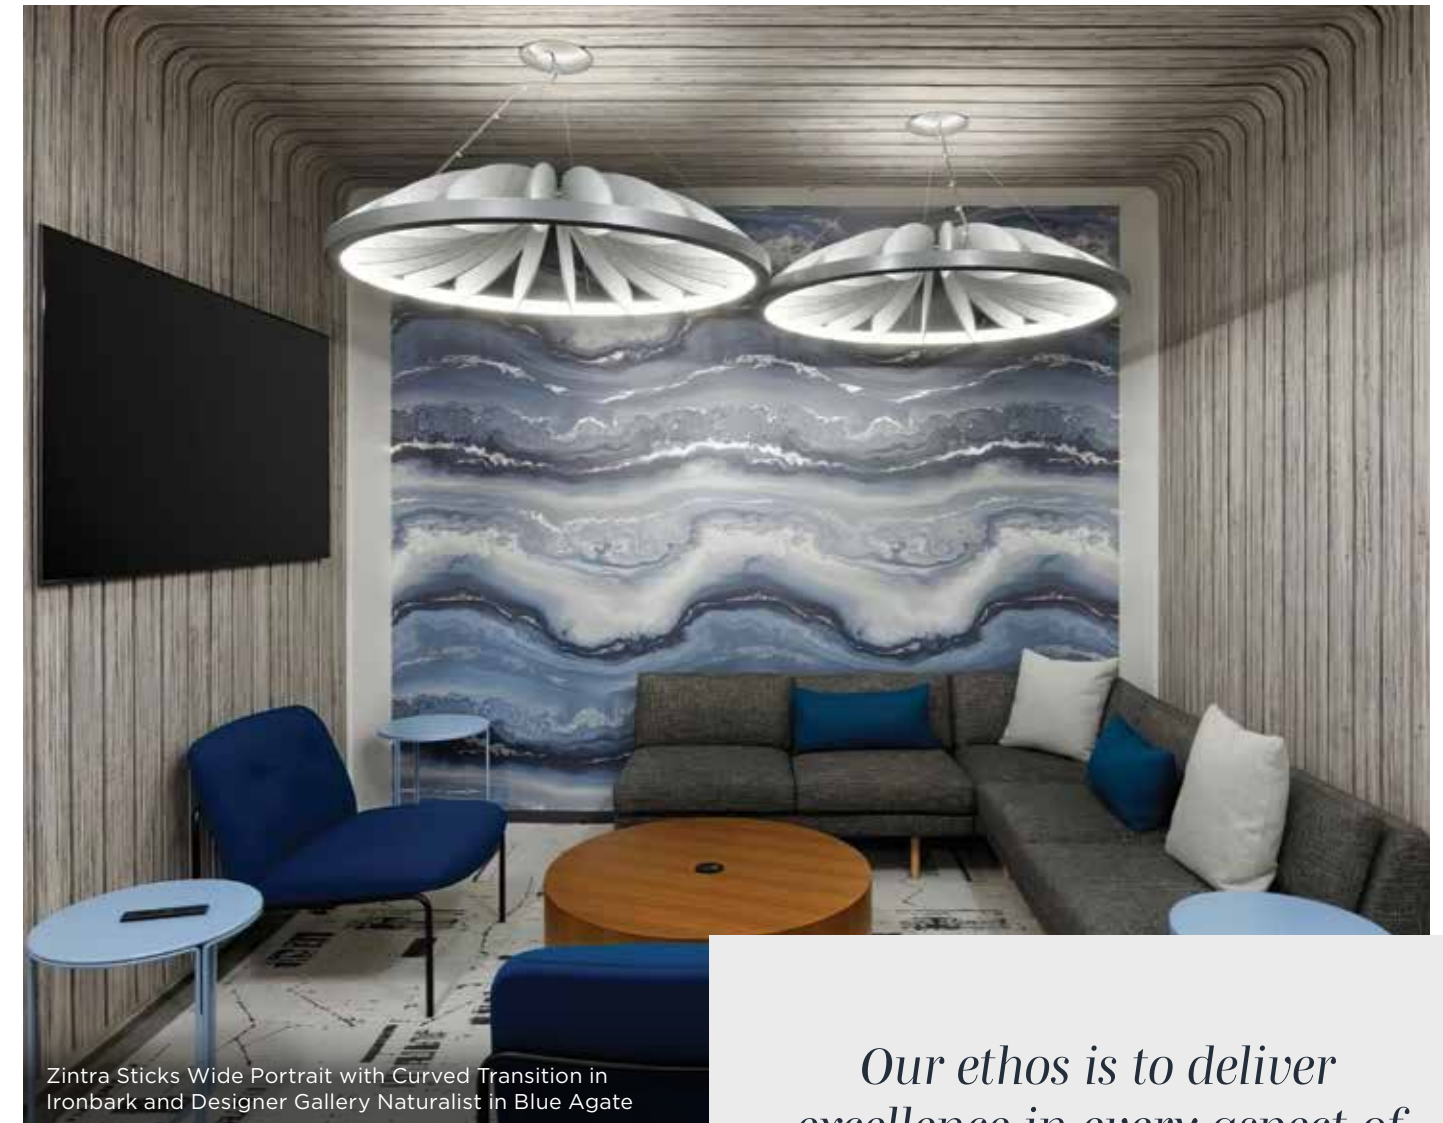

Our team, comprised of over 80 skilled Account Executives and a full corporate support staff, stands as one of the most knowledgeable in the industry, thanks to rigorous, ongoing training. At MDC, expertise and quality are our hallmarks.

Our ethos is to deliver excellence in every aspect of our brand and company.

Dealer-Centered Pricing Programs

Our special pricing strategies are designed to drive dealer revenue, offering competitive advantages and additional value for clients. This includes exclusive discounts for showroom installations, making high-quality solutions more attainable for a wider range of clients.

Single Source, Total Solution

MDC offers a diverse portfolio to meet unique design challenges, from high-performance materials to digital branded environments. Our solutions are tailored to enhance both aesthetics and functionality in any space, ensuring a seamless blend of form and function for your projects.

Comprehensive Product Resources and Support

We provide extensive support with detailed installation guides, AutoCAD and Revit files, render-ready files, and installation photography. Our in-house team offers expert project management, design, and technical assistance, complemented by ongoing support to ensure the success of your project from start to finish.

Pioneering Sustainability in Design

At MDC, we weave sustainability into the fabric of our operations, celebrating a legacy of involvement in over 35,000 LEED projects that reflect our commitment to eco-friendly practices in commercial construction and design. Our efforts champion a greener future and embody our dedication to creating products that not only look good but also do good for the planet. With MDC, every design choice is a step towards a more sustainable tomorrow. We're proud participants of the UPS Carbon Neutral packing and shipping program and strive for a more sustainable future through conscious design.

Bolta / Tahitian Tapa in Natural Sand

Performance Textile / Dress Code in Stone

Type II

Explore stylish products with the proven performance you deserve. In addition to a PVC-Free collection, we offer an excellent selection of sustainable Type II wallcoverings to meet your project's specific aesthetic and environmental needs. Ranging from subtle to bold and casual to elegant, these offerings have long-lasting style alongside proven performance.

Specialty Effects

Elevate interiors with inherently sustainable offerings. Natural materials, such as rapidly renewable wood and cork, as well as stone take center stage and feature distinctive touches of glamour and shine.

Textiles

Sound-reduction capabilities further expand the ways in which Performance Textiles are used. This collection also includes the use of SEAQUAL® YARN, featuring a tonal woven textile pattern containing plastics recovered from our oceans, coasts, and rivers.

Wall Protection

Protect high-traffic areas with durable solutions. Sourced with high quality and recycled raw materials, our products are phthalate-free and crafted to withstand the test of time. These options also meet or exceed all international performance, quality, and sustainability standards. Available in PVC-Free options.

Acoustic Solutions

Reducing noise levels is just one of the ways MDC Acoustics serves as a sustainable solution. Their products are made from 100% recyclable materials and have earned several environmental certifications, including Red List Free. To top it off, they minimize indoor air pollutants, are easy to maintain, and are Class A fire rated.
