THE MDC DIFFERENCE

There's no substitute for experience when you're tackling a commercial installation.

Over the past nearly fifty years MDC has earned a reputation for innovative products, value and service. Actively involved in product research and development, time and again MDC is the first to introduce new products, solutions, and capabilities to the design market.

Known to be among the most knowledgeable representatives in the industry, MDC's sales team has a proven knack for navigating the company's extensive portfolio of products and capabilities — including digital imaging and custom solutions — to deliver your design vision within your project's budget.

The most comprehensive collection of product information, technical specifications, installation tips, instructional videos and case studies is available at mdcwall.com and through our dedicated and knowledgeable sales and support teams.

We stand ready to partner with you to see your project through from design concept to successful installation.

SPECIALTY & HANDCRAFTED WALLCOVERINGS

Make your space a stunner with a selection from our portfolio of handcrafted and specialty wallcoverings. Featuring rich flocking, glass beads, sequins and more, these unique designs can be used as accents or all over. Either way, these show-stoppers are sure to make a statement and lend character to any space.

NATURAL WALLCOVERINGS

The inherent beauty of organic materials coupled with advances in sustainable harvesting and production processes have enabled MDC to deliver a comprehensive selection of design solutions composed of bamboo, inlaid wood veneer, grass, and natural paper. We continue to grow and evolve this offering through new vendor partnerships and collaborations with renown designers.

MDC STUDIO DIGITAL SOLUTIONS

Designers looking to transform spaces and captivate visitors need look no further than MDC for bold, dynamic and leading-edge commercial wall design solutions. Propel your designs into the digital age with MDC Studio. Our in house design consultants and cutting-edge fabrication technology enable you to make your design statement like never before.

DIMENSION WALLS AND CEILINGS

Use textured, impact-resistant, decorative panels to add visual interest with an edge to your space. Choose from our portfolio of textures or work with us to create a custom design. Available in a range of finishes, panels can be applied to flat or curved surfaces, walls, columns, ceilings and more.

ZINTRA ACOUSTIC SOLUTIONS

Zintra Acoustic Solutions from MDC absorb internal and external sound influences to reduce the noise level in a space. And they do it beautifully. Zintra is printable and tackable, and you can choose from flat, flush-mounted panels, patterns, side-mounted blades, or ceiling baffles and clouds in a range of neutrals and brights.

TEXTILE WALLCOVERINGS

Lend comfort and richness to any space with textiles. Our selection boasts the timeless beauty of natural linens and silks, the utility of acoustical, and the durability of high-performance textiles in an array of colors, patterns, weaves, and compositions.

VINYL WALLCOVERINGS

MDC has assembled a vast array of inspiring vinyl wallcoverings designed to meet not only your aesthetic needs, but your performance needs as well. Looking for something truly unique? From a simple custom color to a proprietary design vision brought to life, our custom capabilities enable design flexibility ranging from a simple color match to the creation of something truly distinctive.

DRY ERASE SOLUTIONS

Our portfolio includes a full range of dry erase products, from glass to custom printed graphic boards to FUZE® Dry Erase Paint.

Design flexibility and commercial durability make MDC's dry erase products the perfect choice for corporate, healthcare, retail, education spaces, and more.

PAINTS AND FINISHES

MDC approaches paint with the same attention to detail we give to our wallcoverings. Choose from one of four MDC Professional Paint finishes engineered for unique beauty, rich texture, and ultimate durability.

In addition to beautiful LiquaPearl and tough Ceramic, our line includes textured finishes that take a beating, conceal imperfections and extend longevity.

MIRRORS

by *How Elliott*
THE LUXURY DESIGN COLLECTION

Introducing MDC Mirrors and Wall Décor, a full line of finishing touches to complete your creative vision.
