

MDC Interior Solutions warrants the LiquaPearl, Ceramic, MicroTex, and Slate FX finish systems against manufacturing defect for a period of five years from the date of application when applied to a wall surface by a qualified technician according to manufacturer's printed instructions.

Manufacturing defect is defined to be a failure of the coating system to adhere to a wall surface when applied according to manufacturer's printed instructions, and does not include subsequent failure or damage caused by exogenous factors such as substrate failure or defect, sharp objects, persons, the environment or acts of God. In the event of a failure resulting from manufacturing defect, the product only will be replaced. MDC shall have no obligation to otherwise participate in labor or other costs associated with replacing the product.

This limited warranty is the sole and exclusive warranty given by MDC with respect to the above mentioned product. All other representations and warranties, express or implied are expressly disclaimed, included any implied warranties of merchantability, fitness for a particular purpose or claimed to arise from course of dealing or usage in trade practice.
